# Invest in Success

College Now Greater Cleveland hosted its annual Invest in Success with the help of sponsors Benesch Attorneys at Law, Huntington and Medical Mutual. College Now celebrated its 50th anniversary as the first college access and scholarship organization in the nation at the City Club of Cleveland on June 12. The event benefits students striving for rewarding careers, and it helps College Now Greater Cleveland recognize and acknowledge the impact an individual within the organization makes within the community. College Now alum Gregory Moore, editor-in-chief of Deke Digital in Wheat Ridge, Colorado, served as the featured speaker of the event.

## Home Equity with Improvement Loan

# You have more home equity than you think.

**Borrow more, do more.** With a home equity with improvement loan from Northwest, you can borrow against the future value of your home. That means we'll use the value of your home after your planned updates or additions are made to determine your loan amount, giving you more to spend on your improvement project.
